

There are currently two different Letterbox Club parcels, **Blue** and **Red**.

Letterbox Blue was designed for children in Year 3 to follow them through into Year 4.

Letterbox Red was designed for children in Year 5 to follow them through into Year 6.

It is up to you to decide which parcels are best suited to the children in your cohort.

We are also developing Letterbox Extra parcels from 2010 for children with special educational needs i.e. working below level 1.

The Letterbox Club operates via local authorities (and fostering organisations). All UK authorities are invited to subscribe for as few or as many children as they wish.
